Introduction

The Little Woodians, a unit of Touch Wood School is a Pre-school with a reputation for providing high-quality care and education. It offers ideal preparation for school in a calm and loving environment. Children are welcomed from age group 1.7 to 5 years, into small class sizes led by experienced and qualified staff committed to delivering a genuine education.

Vision

Little Woodians School strives to create global citizens with deep rooted Indian values so as to make a positive difference in the world they live.

Our mission statement

Our mission is to support every child in their quest to become the best they can be, through engaging them in our rich learning environment and caring for them with genuine affection. We hope to foster a passion for learning and exploration that will last in your child a lifetime, and instil in them moral values which respect the environment as well as people and their cultures.

Our aim's

- ♦ To create a happy, calm, industrious classroom.
- ♦ To promote children's personal, emotional, social, moral and spiritual development.
- ♦ To encourage the development of children's physical control, mobility, awareness of space and manipulative skills in an indoor and outdoor environment.
- ♦ To provide children with a thorough foundation of numeracy through practical activity.
- ♦ To establish a firm link with the real world, thereby encouraging a love of nature.
- ♦ To develop the child's imagination, ability to communicate and express ideas and feelings in creative ways.
- ♦ To include parents in their child's journey of learning and development, and offer support and guidance on their own journey as parents of young children.

Our curriculum

At Little Woodians we believe that "every child is a unique child who is constantly learning"

We aim to make each child's early education experiences positive and meaningful. Children from 1.7 - 2.7 years will develop the 3 prime areas first.

These are:

- ♦ Communication and language
- ♦ Personal, social and emotional development
- ♦ Physical development

These prime areas are most essential for your child's healthy development and future learning. As your child grows, the prime areas will help them to develop skills in 4 specific areas.

These are:

- ♦ Literacy
- ♦ Understanding the world
- ♦ Mathematics
- ♦ Expressive arts and design

Partnership With Parents

Parents have a very important role to play in our setting. Exchanging information about the child's achievements, both at home and school, help to build a true picture of their development and progress. We value all contributions parents make towards their child's Learning Journey Book.

Strong Foundation

Grounded on Global Best Practices and our principles of "Individual Focus" and "Compete with Self", we strive to develop child's individual talent, creativity and communication skills which are essential for his success in future world, beyond 2025. Instilling ancient Values, teaching essential Life Skills and developing right habits enables child to adopt a lifestyle that creates a balance among all dimensions of life and attain complete wellness (body, mind and soul). All together they act as the greatest unifying forces in life and pillars of a strong foundation for responsible GLOBAL CITIZENS of tomorrow.
